

UNITED WAY OF HYDERABAD'S COMMITMENT TO EQUITY

United Way of Hyderabad unequivocally denounces all forms of discrimination including but not limited to race, ethnicity, caste, religion, economic background, sex, gender, marital status, age, national origin or ancestry, physical or mental disability, medical condition, sexual orientation, veteran status, or any other category protected by Indian Constitution and Human Rights upheld by United Nations.

We work with communities that have traditionally been marginalized. We believe in co-creating solutions that ensure that all individuals and families are able to achieve their human potential through education, income stability and healthy lives, thereby creating more equitable communities.

Internally, we aim to provide equal employment opportunity, ensuring our valued recognition for a diverse work force.
